INVESTMENT HIGHLIGHTS

Value Drivers

Irreplaceable Lakefront Real Estate – sits directly on the shores of Lake Livingston, one of the top five largest lakes in Texas at over 93,000 acres. Waterfront positions on established Texas lakes carry significant permitting and entitlement barriers, making assets of this type genuinely difficult to acquire and impossible to replicate at cost.

Proximity to Major Texas Population Centers - Located approximately one hour north of Houston and within easy driving distance of both Dallas and Austin. This positions Northshore to draw from a combined metro population representing **tens of millions of potential visitors**, with no competing long-distance travel required.

Embedded Upside Through Marina Reactivation - The marina infrastructure is in place but currently non-operational, representing a clear path to incremental income that is not reflected in the current revenue baseline. A new owner has the opportunity to reactivate slip rentals, boat storage, launch fees, and watercraft rentals — revenue streams directly supported by the lake setting and existing guest base — without acquiring additional land or entitlements.

Municipal Utilities - Operates on city water and city sewer. For buyers and their capital partners, municipal utility service eliminates well and septic liability, reduces operating cost variability, and meaningfully simplifies the financing and due diligence process relative to comparable RV assets on private utilities.

Diversified Revenue Profile - In-place income is generated across RV sites, cabin rentals, glamping accommodations, watercraft rentals, and ancillary amenities. The breadth of revenue channels reduces single-stream dependency and supports both nightly rate growth and longer average length of stay.

Year-Round Operating Asset - Lake Livingston generates demand across all four seasons — summer lake recreation, fall fishing, and winter snowbird long-term stays — supplemented by nearby traffic drivers including Lake Livingston State Park, Huntsville State Park, the Naskila Gaming facility at the Alabama-Coushatta Reservation, and Livingston Trade Days. The result is a consistent, multi-season occupancy profile rather than a peaked seasonal operation.

Local Market Overview

Onalaska is anchored by tourism and outdoor recreation, driven by its location on Lake Livingston — one of the largest reservoirs in Texas at 93,000 acres — which draws visitors year-round for boating, fishing, and waterfront hospitality. The area also benefits from the Alabama-Coushatta Tribe of Texas Reservation, which operates the Naskila Casino featuring over 900 gaming devices, dining, and a travel center, serving as one of the region's most significant employers. Retirement living has become a defining characteristic of the community, with weekend population swells from roughly 4,000 permanent residents to upwards of 10,000.

The area benefits from access via U.S. Highway 190 connecting Onalaska to Livingston, Huntsville, and broader East Texas, with Houston approximately 80 miles to the south via US-59/I-69 — providing regional connectivity for both residents and visitors. Nearby Sam Houston National Forest and Big Thicket National Preserve anchor nature-based tourism and outdoor recreation. Education is anchored by Onalaska ISD, with higher education and workforce development accessible through Livingston and Polk County. A growing emphasis on rural lifestyle, low cost of living, and available land continues to attract new residents and small business investment to the corridor.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-2-2015

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A **BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A **SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - o that the owner will accept a price less than the written asking price;
 - o that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - o any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
