PROFESSIONAL BACKGROUND

Alex Berube earned his real estate license in 2021, initially focusing on building his personal investment portfolio. Alex quickly established himself on the residential side, completing over 40 transactions and developing a comprehensive understanding of the market. As his experience grew, so did his interest in the complexities of commercial real estate, ultimately leading him to join Sperry Commercial Realty Associates in the spring of 2026.

Born and raised in New Hampshire, Alex was shaped by a blue-collar, entrepreneurial upbringing. His grandfather, founder of Berube's Truck Accessories in Bow, instilled in him the values of hard work, ownership, and perseverance that continue to guide his career today.

Alex further developed these principles through his service in the Army Reserves, where he enlisted at just 17 years old. Over six years of service — including one year overseas — he rose to the rank of Sergeant, gaining leadership experience and a results-driven mindset that he now brings to his real estate practice.

Alex's approach is grounded in a simple philosophy: execute at the highest level and maximize value for every client. With deep knowledge of the real estate industry and a commitment to professionalism, he strives to create a seamless and positive experience for buyers, sellers, landlords, and tenants alike—one they are confident recommending to others.
