Why Whitby?

Located in the region of Durham, Whitby is one of Canada's fast growing communities and they are committed to enhancing and developing their infrastructure, facilities and services to promote sustainable economic growth. Whitby has a diverse and growing pool of talented people, a superior quality of life and direct access to major markets. Whitby has actively pursued economic development strategies to create jobs, attract investment and enhance the overall quality of life for its residents.

- » Whitby's labour force pipeline is fueled by major research projects, co-op student placements and job-ready graduates
- » Whitby has a beautiful waterfront, 2 vibrant downtowns and a rich arts and culture scene
- » 3 new business park areas in proximity to Highway 407 and 412 provide available space for new or existing businesses
- » The town's thriving innovation ecosystem provides entrepreneurs and innovators resources to develop and commercialize
- » Industrial land prices and leasing rates remain lower than the surrounding area
- » Innovation and technology companies have established a presence in Whitby to contribute to the economic growth and diversification
- » 4 times increase in construction value from 2015 to 2021
- » Access to 39K workers who currently commute out of Whitby each day
- » 2,300 businesses that employ approximately 43,300 people
