Description

The property comprises a detached industrial trade centre unit with a forecourt area to the front providing access to the pedestrian door and 3 loading doors in the front elevation. The unit is constructed on a steel portal frame with elevations of profile metal cladding under a pitched roof. The reception area is of cavity brickwork elevations under a metal clad mono pitch roof. Internally, the unit is configured as a workshop, office, and reception area with WCs.

Location

The unit is located within the established Hobley Drive trade counter area, Swindon's premier trade counter location. the unit is situated 2 miles north east of Swindon town centre, west of the A419 which provides direct access to Junction 15 of the M4 to the south. The immediate area is extremely popular with national trade park occupiers.
