## EXECUTIVE SUMMARY

Lee & Associates is pleased to present an opportunity to lease 6,891 SF - 108,274 SF of highly functional industrial space in Boise, Idaho. The property is strategically positioned with close proximity to Interstate 84, the Boise Airport, and Micron's headquarters and manufacturing campus. Designed with logistics and manufacturing in mind, the site provides easy truck access on and off the property with minimal traffic congestion along Amity Road. This makes an efficient choice for distribution, warehousing, or light manufacturing users. LED lighting, interior and exterior paint, office refresh, and other improvements underway.

## AREA OVERVIEW

### **BOISE, IDAHO**

Boise, Idaho, is a dynamic city that serves as the state's capital and its largest metropolitan area. Nestled in the heart of the Treasure Valley, Boise is cradled by the Boise River to the south and the foothills of the Rocky Mountains to the north, offering residents and visitors alike a striking blend of urban sophistication and outdoor adventure. The city's downtown area is a vibrant hub, featuring a mix of modern architecture, historic buildings, and a thriving cultural scene with galleries, theaters, and a variety of restaurants and shops.

The mild climate and scenic landscapes make it a year-round destination for outdoor activities. Residents enjoy access to extensive trails for hiking and biking, particularly in the nearby Boise National Forest and along the Boise River Greenbelt, a 25-mile path that runs through the city. The Boise River itself is popular for fishing, kayaking, and summer float trips, contributing to the city's reputation as an outdoor enthusiast's paradise.

Boise is also known for its strong sense of community and high quality of life, often ranking highly in national surveys for livability, safety, and affordability. The city's welcoming atmosphere, combined with its scenic beauty and economic opportunities, has made it an increasingly popular destination for new residents and businesses alike.
