

GOLDFARB

FLEXIBLE OFFICE & COMMERCIAL SPACE FOR LEASE

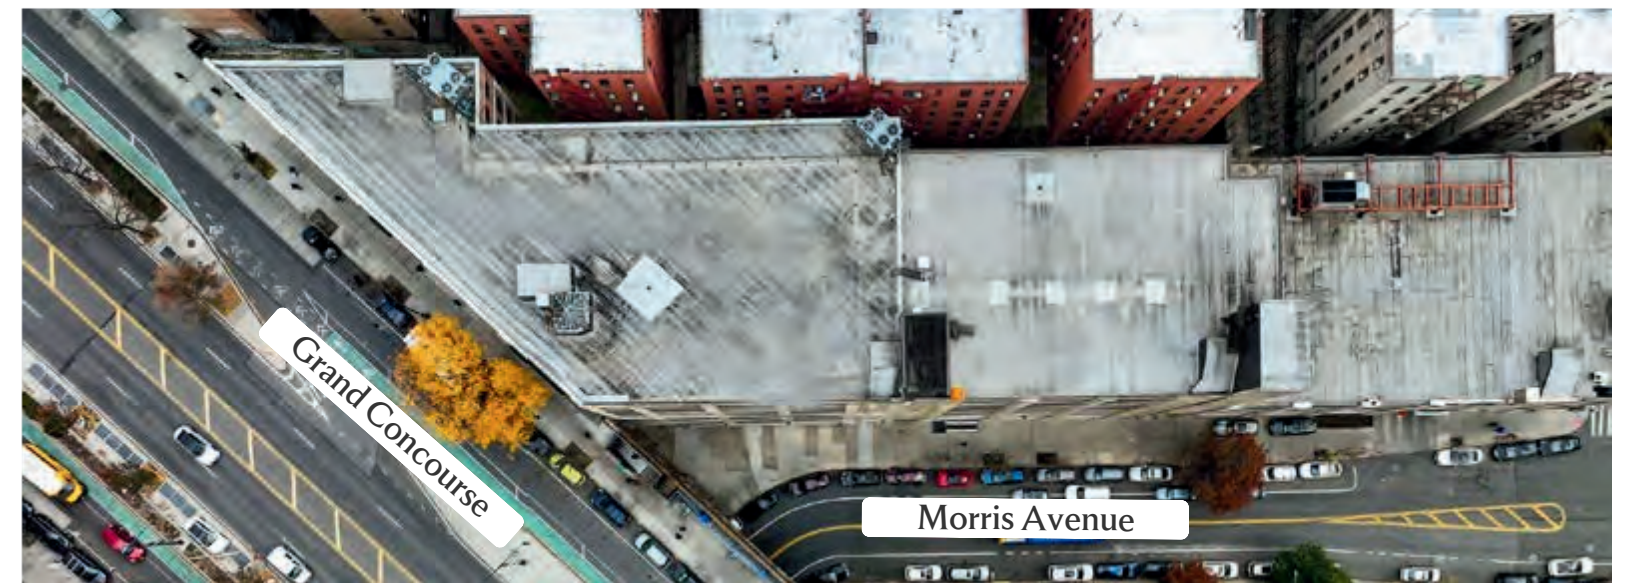

CONCOURSE POINT

1780 & 1790 Grand Concourse
Bronx, NY 10457

Designed for Efficiency, Access, and Convenience

Concourse Point offers a rare opportunity for organizations seeking a large, adaptable footprint on the Grand Concourse—one of the Bronx’s busiest thoroughfares. With subway access directly outside the building, Concourse Point is ideal for tenants that require visibility, accessibility, and functional spaces in a uniquely customizable footprint.

The property’s dual-frontage offers entrances on both the Grand Concourse and Morris Avenue, allowing for efficient access. Concourse Point’s strategic, high-exposure location is built to adapt to your needs to support your goals exactly where the people you serve live.

Built for Public Purpose

For government agencies seeking reliable, efficient space, Concourse Point provides a secure and adaptable solution.

The building's scale, circulation, and infrastructure allow agencies to plan efficiently—whether consolidating departments, delivering public-facing services, or supporting internal operations. Flexible floorplates, secure zoning potential, and back-of-house functionality enable spaces that work as intended, from intake to administration.

Highlights

Layouts allow separation of public service areas, staff workspaces, secure records, and restricted operations.

Freight elevators, storage capacity, and back-of-house access accommodate equipment, files, and logistical needs.

ADA-compliant entry, multiple public entrances, and immediate access to subway and bus lines ensure ease of access for staff and visitors.

Entrances on both the Grand Concourse and Morris Avenue allow for flexible access planning and operational separation.

A Foundation for Learning

Concourse Point provides a flexible platform for academic uses including charter schools, higher education institutions, and training facilities. Large floorplates support efficient classroom and administrative layouts, while robust building systems accommodate modern technology and evolving instructional needs.

Located along the Grand Concourse with strong transit connectivity and on-site parking, Concourse Point is an ideal environment to establish or expand a longterm.

Highlights

Full floors support efficient planning for classrooms, administrative offices, faculty space, and shared student areas.

Robust HVAC, electrical capacity, and telecom infrastructure support modern learning environments and evolving program needs.

Building systems accommodate high-volume traffic, with additional expansion opportunities for improved circulation.

Located on the Grand Concourse with multiple subway and bus lines nearby, complemented by a large covered parking garage for staff, faculty, and visitors.
