Executive Summary

THE OFFERING

Premier Commercial is pleased to present the opportunity to acquire the LaBelle Brewing Co. Building, a **7,011-square-foot**, two-story commercial building situated on **±0.69 acres** in LaBelle, Florida. Built in 2019, the property features surface parking, direct access to State Road 80 / W Hickpochee Avenue, and strong corridor visibility supported by approximately 22,500 vehicles per day. The building is currently configured for brewery/restaurant use but will be delivered vacant, allowing future ownership to reposition the asset for a variety of commercial uses.

The property's **B-2 Business General zoning permits** a broad range of commercial uses, including **retail, office, restaurant, personal service, and light service-oriented businesses**. This flexibility creates an attractive opportunity for an owner-user, investor, or operator seeking adaptable commercial space within one of LaBelle's primary business corridors.

Located in Hendry County, the property benefits from regional connectivity to Fort Myers, Naples, West Palm Beach, and other major Florida markets via State Road 80 and U.S. 27. Continued commercial development throughout the surrounding area, including new restaurants, educational facilities, and healthcare services, supports long-term population growth, expanding consumer demand, and ongoing investment activity.

Investment Highlights

Modern 2019 Construction with Flexible Reuse Potential

Built in 2019, this 7,011 SF two-story commercial building sits on ±0.69 acres along State Road 80 / W Hickpochee Avenue. Move-in ready and constructed to current commercial standards — ideal for owner-users, investors, or operators seeking a turnkey asset in LaBelle's primary business corridor.

Delivered Vacant for Immediate Owner Control

The property will be delivered vacant at closing — giving new ownership full control over occupancy, operations, and leasing strategy from day one. No inherited tenants, no lease-up risk, no operational obligations.

Existing Restaurant/Brewery Buildout with Broad Repositioning Potential

The in-place brewery and restaurant configuration offers a functional starting point for food & beverage, hospitality, or entertainment operators — with the flexibility to reposition for office, medical, retail, service, or other commercial uses.

Engineered for Florida Hurricane/Wind Standards

Constructed with impact-resistant openings and engineered to meet Florida hurricane and wind load standards, delivering long-term structural resilience, reduced ownership risk, and lower future capital expenditure requirements.

Natural Gas Infrastructure for Commercial Kitchen & Brewery Improvements

Existing natural gas infrastructure supports commercial kitchen and brewery operations, offering a meaningful utility advantage for F&B operators and other users requiring enhanced energy capacity.

Flexible B-2 Business General Zoning

B-2 Business General zoning supports a wide range of retail, office, service, and automobile-oriented commercial uses, giving the next owner broad optionality for future occupancy or repositioning. This zoning classification is among the most permissive in LaBelle's commercial corridor.
